Milleral

INTEGRATED MILLING SYSTEMS

İMAŞ Makine Sanayi A.Ş., Anadolu'dan doğan ve Türkiye'nin en önemli sektörlerinde başarıyla faaliyet gösteren **İttifak Holding** bünyesinde 1989 yılında faaliyetlerine başlamıştır.

29 yıldır değirmencilik sektörüne **Milleral** markası ile yüksek teknolojlili ürünler ve mükemmel verimlilikte tesisler sunan **İmaş Makine**, müşterilerinin güvenini kazanmış hızlı satış sonrası hizmetiyle iş ortaklarının ihtiyaçlarını eksiksiz olarak yerine getirmektedir.

Milleral; buğday, mısır, çavdar, yulaf, arpa gibi tahılların un ve irmik haline getirilmesinde kullanılan ürünlerin ve komple tesislerin anahtar teslimi olarak üretilmesi ve kurulması işini yıllardır yüksek müşteri memnuniyeti ile devam ettirmektedir.

Ortadoğu'dan Orta Asya'ya, Güney Amerika'dan Afrika'ya kadar tüm dünyadaki ihtiyaçlara hitap edebilecek ürün, tesis ve hizmet sunabilen **Milleral**, uzman kadrosuyla verim odaklı danışmanlık hizmetleri de verebilmektedir.

İmaş Makine, kurulduğu günden bu yana **Milleral** ile başladığı başarılı serüvenine **Vital**'i ekleyerek büyümeye devam etmiş ve değirmencilik sektöründeki tecrübesini büyük ve küçükbaş hayvan yemi sektörüne taşımıştır.

Vital de **Milleral** gibi kendi sektörü olan yemcilikte anahtar teslimi tesisler ve ekipmanlar üreterek yüksek müşteri memnuniyetini sağlamaktadır.

İmaş Makine'nin bir diğer markası ise müşterilere yüksek kalitede testere tezgahları sunan **Cuteral** markasıdır. **Cuteral** açılı, yarı ve tam otomatik, mafsallı, sütunlu ve PLC gibi testere üretimleriyle sektör ihtiyaçlarını mükemmel bir şekilde karşılayan bir ürün gamına sahiptir.

İmaş Makine'nin bir diğer markası olan **Steral** ise dünya çapında kaliteli, hızlı ve sağlam çelik konstrüksiyon projelerin mimarı olarak müşterilerine nitelikli hizmet vermeye devam etmektedir.

İmaş Makine, hem yüksek ürün kalitesi hem de uzman ekibi ile 4 markasıyla faaliyet gösterdiği sektörlerde yüksek rekabet gücüne sahiptir. **İttifak Holding**'den alınan global çalışma kültürü ve güçlü sermaye yapısı, **İmaş Makine**'nin sürekli gelişim ve büyüme hedeflerine başarıyla ulaşmasını sağlamaktadır.

İmaş Makine, inovasyon odaklı mühendislik yaklaşımlarıyla faaliyet gösterdiği 3 sektörde de yenilikçi ürün ve hizmet üretme hedefiyle çalışmakta, profesyonel ekibini de bu prensiplerle müşterilerine değer katmaya teşvik etmektedir.

İmaş Makine'nin güvenilir ve yenilikçi imajını korumak ve pekiştirmek adına benimsediği temel prensipler;

- Sürdürülebilirlik
- İnovasyon
- Çevrecilik
- Globalleşme
- Bilgi Yönetimi
- Uzmanlık olarak belirlenmiştir.

İmaş Makine, işinin sadece mükemmel ürünler üretmek değil aynı zamanda müşterilerine değer katacak hizmetler sunmak olduğunun bilinciyle faaliyet göstermektedir.

Orta ve uzun vadeli hedeflerine başarıyla yürüyen **İmaş Makine** tüm paydaşlarıyla birlikte emin adımlarla sektör liderliğine yürüyor.

COMPANY PROFILE

Imas Machinery was established in 1989 as one of the daughter companies of **Ittifak Holding**, which was born in Anatolia, which operates in the most important sectors of Turkey successfully.

Imas has been manufacturing high technology products and efficient turnkey projects with **Miller** brand in the grain-milling sector for 29 years. **Imas** has gained the trust of his customers with rapid after sales service and has been meeting the demands of his business partners thoroughly.

Miller has been manufacturing machinery and turnkey plants for milling grain like wheat, corn, rye, oat and barley to get flour and semolina for many years with high customer satisfaction.

Miller not only offers products, plants and services that can appeal the necessities in all parts of the world; from Middle East to South East Asia, from South America to Africa but also gives efficiency based consultancy services with his expert staff.

Imas has continued his successful growth with **Miller** by adding **Vital** brand and has carried his experience in grain milling sector to feed milling sector for cattle and chicken.

Like **Miller**, **Vital** offers machinery and turnkey plants in his sector of feed milling with high customer satisfaction.

The third brand of **Imas** is **Cutral** that offers high quality bandsaw machines. With column, pivot, miter, PLC and high-speed types, **Cutral** has a product mix that appeals to the necessities of the sector.

The fourth brand of **Imas** is **Steral** that develop quality, fast and robust steel construction projects around the world and provide quality service to its customers.

With high product quality and expert staff, **Imas** has high competitive power with his three brands in their sectors. Global business culture and powerful capital structure gathered from **Ittifak Holding** are one of the main factors of his continuous improvement and growth of **Imas**.

With the innovation-focused engineering approach, **Imas** targets to produce innovative products and services and encourages his professional team to add values to the customers in all of the three sectors.

The basic principles of **Imas** to protect and establish his trustable and innovative position are:

- Sustainability
- Innovation
- Environment protection
- Globalization
- Information Management
- Expertise

Recently, **Imas** has offered **Vital** PROSUPPORT continuous and rapid technical service to the sector. With PROSUPPORT, **Vital** provides technical service, spare parts and consultancy to the entire grain-milling sector, including the companies that do not have **Vital** products.

The mission of **Imas** is not only producing excellent products but also providing value-added services to his customers.

Imas is on the way to be the sector leader to reach his mid-term and long-term targets with all of his stakeholders.
